PRIVACY POLICY, NATURAL PERSONS

1. PERSONAL DATA PROTECTION POLICY

1.1 - For the purposes referred to in the Organic Law 15/1999 of December 13 on personal data protection, the company LINKS MARINE SERVICES S.L informs the user/client about the existence of a file containing personal data. Based on the information collected through this

website, the before mentioned file was created by and for the company LINKS MARINE SERVICES S.L, under its own responsibility, for the purpose of giving information and providing the services offered by this website. This file is registered in the General Register of the Data Protection Agency.

1.2 The client expressly accepts that any data obtained while using the website, or which has been provided through filling out any forms that are contained therein, as well as any data resulting from any possible commercial relationship, may be included in an automated personal data file of the type described in section 1.1. During the process of data collection and on all pages of this website where personal data is asked for, the client will be informed with the help of a hyperlink or an explicit mention in the form itself about the compulsory or optional character of the recollection of such data. Every client that decides to register on the website of our company will be asked for those data that are necessary to fulfil the purposes of this company.

1.3 With respect to the data collected in the manner provided in the preceding paragraph, the client may exercise his rights according to the Organic Law 15/1999 on personal data protection, and in particular his right to access, rectify, cancel and object to such data. Likewise, he may withdraw his consent for the transfer of the collected data or the treatment of these data for any of the uses described above. Any client may exercise his rights referred to in the previous paragraph with the help of a cancellation request form that has to be requested from us by e-mail. The written and signed form together with a copy of the client's identity document shall be sent by postal mail to the following address: company LINKS MARINE SERVICES S.L with coporate address in CALLE LICORERS, nº 169-170 NAVE 8d C.P.: 07141 MARRATXI

1.4 The company LINKS MARINE SERVICES S.L informs hereby its clients that if a CLIENT wishes to register at the website WWW.LINKSMARINE.ES, he will be asked for a series of data that must necessarily be filled in, as it is described above. If the client fails to submit the obligatory information, than the registration on the website WWW.LINKSMARINE.ES will not be effective. It shall be the obligation of any client to ensure that the submitted information is accurate and up-to-date.

1.5 THE CLIENT accepts hereby that the company LINKS MARINE SERVICES S.L may activate cookies and use IP tracking for the purpose of obtaining information for statistical purposes.

1.6 With regard to the personal data collected in the above mentioned file, the company LINKS MARINE SERVICES S.L commits to respect the confidentiality of these data and to use them in accordance with the purpose of the file. Likewise, it commits to comply with its obligation to safeguard these data and to take all measures to prevent the alteration, loss, unauthorized access or treatment of the data, in accordance with the regulations set forth in the Royal Decree 1720/2007, which approves the implementation of the regulations of the LOPD.

1.7 The personal data received from the client will be processed, computerised and included into the automated files of the company LINKS MARINE SERVICES S.L, who is the owner and responsible of these files. According to the in-force regulations, the before mentioned files are duly registered at the General Registry of the Data Protection Agency. In the registration forms where data of a personal nature is collected, the different fields which must be completed in order to give effect to the corresponding registration will be duly identified. Except for those fields where it is stated otherwise, the answers to the questions on personal data are voluntary, failure to do so having no influence on the quality or quantity of the corresponding services offered to the client (unless indicated otherwise).

1.8 The automated processing of all personal data collected as a result of the application, use, hiring of any product, service, transaction or operation made through this website (including for these effects also the data provided by the clients for advertising purposes) mainly aims at maintaining the contractual relationship in case such a relationship has been established between the client and the owner of this website.

1.9 The client may exercise his rights according to the Organic Law 15/1999, in particular his right to access, rectify, cancel and object to such data, where applicable. This may be done by sending in a request letter via traditional post or e-mail. The written and signed form together with a copy of the client's identity document shall be sent by postal mail to the following address: CALLE LICORERS, nº 169-170 NAVE 8d C.P.: 07141 MARRATXI. If the clients wishes to exercise his above described right per e-mail, the same information has to be filled out and sent to the following e-mail address together with a copy of the client's identity document: INFO@LINKSMARINE.ES; linksmarine@terra.es

1.10 The private user accepts hereby that the website WWW.LINKSMARINE.ES may use cookies. All of which is in accordance with the provisions set forth in article 22.2 of the Law 34/2002 from July 11 on services of the information society and e-commerce (modified by article 4 of the Royal Decree-Law 13/2012 in its new drafting) that regulates the use of cookies.

1.11 If the client decides to submit his personal data, these will be processed, computerised and included into the automated files of the company LINKS MARINE SERVICES S.L who is the owner and responsible of these files. According to the in-force regulations, the before mentioned files are duly registered at the General Registry of the Data Protection Agency.

In the registration forms where data of a personal nature is collected, the different fields which must be completed in order to give effect to the corresponding registration will be duly identified. Except for those fields where it is stated otherwise, the answers to the questions on personal data are voluntary, failure to do so having no influence on the quality or quantity of the corresponding services offered to the client (unless indicated otherwise).

1.12 The automated processing of all personal data collected as a result of the application, use, hiring of any product, service, transaction or operation made through this website (including for these effects also the

data provided by the clients for advertising purposes) mainly aims at maintaining the contractual relationship in case such a relationship has been established between the client and the owner of this website.

1.13 The collected personal data will also be used to handle, manage, provide, expand and improve the services offered to our clients:

- In case of a subscription to the newsletter distribution list, the client's personal data will be used for the sole purpose of managing the delivery of the newsletter.

- In case of authorising the reception of promotional information about our services and products, your personal data will be used for the sole purpose of sending the promotional information by traditional or electronic means. In the case of the electronic e-mail addresses or the website contact form, the data that you provide to us per e-mail or through the form will be used exclusively to respond to the queries that you convey to us by these means.

All of which is in accordance with the provisions set forth in article 22.1 and 22.2 of the Law 34/2002 from July 11 on services of the information society and e-commerce (modified by article 4 of the Royal Decree-Law 13/2012 in its new drafting).

1.14 The entity guarantees the confidentiality of the personal data. Notwithstanding this, the entity will submit to the competent public authorities any personal data or other information in its possession or accessible through its systems which may be required in compliance with legal provisions and regulations applicable to the case. Even after the relationship established through the website has terminated, personal data may be kept in the files owned by LINKS MARINE SERVICES S.L exclusively for the purposes indicated above and, in any case, within the legally established time limits for putting the collected personal data at the disposal of the administrative or judicial authorities.

COOKIES POLICY

In accordance with the provisions set forth in article 22.2 of the Law 34/2002 from July 11 on services of the information society and e-commerce (LSSI), the entity LINKS MARINE SERVICES S.L with tax ID No. (CIF/NIF)B57048282, holder/administrator of the website WWW.LINKSMARINE.ES, with registered address in CALLE LICORERS, nº 169-170 NAVE 8d C.P.: 07141 MARRATXI and e-mail address INFO@LINKSMARINE.ES; linksmarine@terra.es, the entity expressly informs the user that this website WWW.LINKSMARINE.ES uses first-party and third-party cookies to enhance user's interaction experience and the way services are received on this site. When browsing or using our services the user expressly accepts our use of cookies. Notwithstanding that, the user has the possibility to block and eliminate the cookies by selecting the corresponding option on the browser that is being used. If the user blocks the use of cookies in his/her browser, this may have the consequence that some of the services and functionalities of the website will not be available.

A) First-party (own) cookies: These are cookies that are sent to the terminal equipment of the user from an equipment or domain managed by the administrator, i.e. from where the services requested by the user are provided.

What is a cookie?

A cookie is a file which is downloaded from a website and which certain webs send to the browser of the user. These files are then stored in the user's terminal equipment, which may be a personal computer, mobile phone, tablet, etc. These files allow the website to remember information about the user's visit, such as language and his/her preferred options. This enables the website to recover information about browsing from the user's equipment in order to ease subsequent visits and make the website more useful for the user by customising its content.

How are cookies being used?

When browsing on this website users accept cookies to be installed in their terminal, which allows us to obtain the following information:

- Statistical information about the web use.
- User's login in order to keep the web session active.
- Preferred web format when browsing from mobile devices.
- Last searches performed when using the services offered on the website, as well as data about the personalisation of these services.
- Information about advertisements shown to the user.
- Information about surveys the user has completed.
- Data about the connection to social networks (for users who access using their Facebook or Twitter account).

Types of cookies used

1-This website uses both temporary session cookies and persistent cookies. Session cookies only store data while users access the website, whereas persistent cookies store data in the terminal equipment in order to be accessed and used in more than one session. They are used to store information that is useful for providing the service requested by the user at a single occasion.

Depending on the purpose of processing the data obtained through cookies, the website can use:

Technical cookies:

2-Technical cookies: These cookies enable the user to browse a website, platform or application and make use of the different options or services offered thereon; these types of cookies may be used for example to

control traffic and data communication, identify the session, grant access to restricted areas, remember items in an order, make the purchase of an order, fill out a registration or request form to participate in an event, apply security features while browsing, store content in order to disseminate video or sound files or share content through social network platforms.

Customisation cookies:

3-Customisation cookies: These cookies enable the user to access and receive the offered services based on some general predefined features which are configured on the user's device according to a set of specific criteria such as language, type of browser used to access the services, geographical location of the terminal and regional configuration from where the services are accessed, etc.

Advertising cookies:

4-Advertising cookies: These cookies enable the management, as efficiently as possible, of advertising spaces (if these are offered) that were included by the administrator to the website, application or platform from where the user is receiving the services he/she requested; said management is being carried out based on different criteria such as edited content or frequency of the advertisements shown on the site.

Behavioural advertising cookies:

5-Behavioural advertising cookies: These cookies enable the management, as efficiently as possible, of the advertising spaces (if these are offered) that were included by the administrator to the website, application or platform from where the user is receiving the services he/she requested. These cookies store information about the user's behaviour obtained through on-going observation of his/her browsing habits, which enables

the development of a specific profile and makes it possible to show targeted advertising.

Statistical analysis cookies:

6-Statistical analysis cookies: These cookies allow tracking and analysis of the behaviour of users on the websites they browse. Information stored through these types of cookies is used to observe and measure the activity in websites, applications or platforms, as well as to produce browsing profiles of their users, all this being done in order to improve the services offered on basis of the data obtained from the user's activity.

B)Third-party cookies:

1- Third-party cookies: These are cookies that are sent to the terminal equipment of the user from an equipment or domain that is not managed by the administrator of the website, but by another entity who is processing the data obtained through the cookies. On some websites it is possible to install third-party cookies which make it possible to manage and improve the provided services, for example statistical services by Google Analytics or Comscore.

On this website the entity uses the following cookies which are described below:

How to manage cookies in your browser?

Users have the possibility to allow, block or delete cookies installed in their equipment by means of configuring the settings of the browser installed in their terminal:
